—Philosophy:

C.A. Outreach Ministries desires to touch every part of a person's life with the Lord Jesus Christ in Belize. The Plan is to do this through evangelism, medical assistance, education, housing, agriculture, and training.

—History:

Outreach Ministries, later incorporated as **C.A. Outreach Ministries**, began in 1975 with God's call to Christian businessman John Collier, through a miraculous deliverance from an otherwise fatal airplane crash in Belize, Central America (see his book *Two Minutes to Live*). John made a total life commitment to God, giving Him a blank check on the rest of his life. As a result, John moved to Belize, Central America on faith with \$100 a month support to reach Belizeans for the Lord and work with groups and team ministries from various parts of the world.

God has led John to help plant churches around Belize, and to work in the southern jungles with the Maya, Kechi, and Garifunas. Doors were opened in the early 1990's for a ministry outside Belize City at the Embassy Mission House and Hotel, which now encompasses team ministry, a Christian library with several branches, Christian trade schools, Bible studies, Christian musical and dramatic presentations, and a program for high school and college credit in international studies.

Believing the Lord called him to work specifically with mission teams coming to Belize, John has sought to help individuals and groups find specific areas where they would like to minister through **C.A. Outreach Ministries, Inc.**; such as, evangelism, teaching, conferences, libraries, Vacation Bible Schools, orphanages, and local schools. **CAOM** also operates trade schools in which local people can learn skills to make a living, such as sewing, baking, construction, cabinet making, and agriculture.

C.A. Outreach Ministries, Inc. is a non-profit, US tax-exempt Christian organization and a registered Belizean NGO (National Government Organization).
